Re: Saluting Our Veterans

Dear _____,

I want to thank you for the opportunity to present this sponsorship package.

Some time ago, I wrote a song entitled "Soldier". The actual lyric is "Soldier, I thank you". The song thanks, honors and lets the Veteran know that they are appreciated for the services they have provided to us.

I, also thought their commitment to protect our country with their lives was deserving of an annual celebration. In conjunction, of this years Veteran's Day Celebration it is also the 100th Anniversary of the end of World War I and we thought it befitting to celebrate the two together. This is our Annual "I Love A Vet" celebration dinner which is intended to provide a social wellness opportunity while promoting the joy of giving back to U.S. Military veterans through dinner and entertainment.

The overwhelming response from the military branches has grown in such a way that we have been moved to reach out for more sponsorship. We are seeking a contribution of any of the listed amounts in order to include more military veterans in the celebration. However, any donation you can give will be acceptable and appreciated. Please note "No Goods or Services are being provided in

exchange for this contribution.

If this is an effort you are willing to support, please make check payable to "Saluting Our Veterans Inc." c/o Metropolitan Economic Transitioning Residency Organization. The 501(c)(3) number is #85-267....

If you have any questions, I may be reached at (313) 506-5800. Thank you in advance for your support of the worthwhile endeavor.

Sincerely,

Mrs. Leslie Ferguson,
President SOVA
